

Plan

DTT hybrid projects; TV and Over the top Internet in Nordic countries
Country workshops on demand

Establish DTT/OTT Helpdesk as a partner to transmission companies

Establish DTT /OTT Helpdesk in Asian countries

Bring information from the Nordic DTT markets and other successful DTT operations and benefit from their experiences

Bring information about Mobile TV, its successes and failures

Bring information from the OTT development to parties evaluating OTT

DTT Helpdesk to act as advisor to parties who are active in DTT start-up and switch-over.
